

Appl. No. 10/801,987  
Amdt. Dated **August 17, 2007**  
Reply to Office Action of April 18, 2007

Attorney Docket No. 81872.0057  
Customer No.: 26021

**Amendments to the Specification:**

Please replace the paragraph beginning at page 19, line 8, with the following rewritten paragraph:

In Figs. 2(a) to 2(c), there are shown solar cell elements 11a, 11b, bus bar electrodes 5 on the ~~light-receifing~~ light-receiving surface, connection electrodes (hereinafter referred to as the “connection tabs”) 17 on the light-receiving surface for interconnecting the solar cell elements, bus bar electrodes 6 on the non-light receiving surface, and connection tabs 19 on the non-light ~~receivig~~ receiving surface.
